

Well Being and Safeguarding Newsletter - Number 5 - July 2023

Dear Parents and carers,

What a year we have had - thank you all so much for all of your support. We have had a really busy year and a number of our children and parents have accessed support through our Well Being services. This will continue to be in place in the next academic year - if you have any worries or concerns please speak to your child's class teacher or Mrs Mitchinson (Designated Safeguarding and Pastoral Lead).

Help across the city for families

If you require any help over the Summer there are a number of ways you can access this.

Where there are significant immediate concerns about the safety of a child, you should contact the police on 999.

If you believe the situation is urgent but does not require the police, please call **01904 551900** to contact York MASH to discuss your concerns. Should you need to call outside office hours, at weekends and on public holidays contact the **emergency duty team telephone: 0300 131 2 131.**

Safeguarding updates

North Yorkshire Community Messaging allows members of the public to register to receive alerts, crime notifications and community news from North Yorkshire Police, this also includes businesses and schools within our communities in York to sign up to. This allows us to create an appropriate list of contacts and be able to reach out to you with crime prevention advice, this is a free service, and the information comes to your email only. (There are no text messages pinging away all day and night.)

Please feel free to sign up on the link below or scanning the QR code

Questionnaire

We would really appreciate it if you could take some time over the holidays to complete this questionnaire <https://forms.gle/WY2evDy1LcWmVUdk8>

This will help us to evaluate the services we have offered this year and make improvements if necessary.

Thank you
