Calling all volunteers!

It's been lovely to speak to so many of you in the mornings. I now know, we have many talented parents in our community. If you are able to offer any of your time or skills to our school we would love to hear from you. If you are able to commit to a regular slot each week during the summer term to support in classes, hear readers, tweak displays or offer any specific skills in clubs after schools we would very much appreciate your help. Please could you email the school office on hello@pop.hslt.academy and let us know what days and times you could come into school. Once we have an idea of interest, we will then contact you and undertake necessary checks so you can come and join us in school.

We would very much appreciate any help or support you can offer our school from the summer term.

Thank you for your ongoing support, smiles and enthusiasm even on the very cold mornings!

Best wishes,

Linda Collier

Principal
