this school holiday!

York's HAF Programme Summer Activity Brochure

20th July - 31st August

PROGRAMME OVERVIEW

York's Holiday Activities and Food (HAF) programme offers fun activities for keeping active, being creative, and trying something new over the Easter, summer, and winter school holidays.

Children and young people in receipt of benefits-related free school meals can receive up to **sixteen sessions** of free activities during the summer holidays. Each day will include: a healthy meal and a selection of activities ranging from sports, drama and creative workshops, nature activities, and much more.

HOW TO BOOK:

To book an activity, you will need a HAF eVoucher, which your school will provide via text or email. Your eVoucher will include a link that will take you to the booking site. The booking site lists all York HAF summer activities. The voucher and booking system will become active on **FRIDAY, JULY 5**.

Contact your child's school if you do not receive your HAF eVoucher. If your child's school is closed due to the school holiday and you have not received a voucher, contact the HAF coordinator at shelby.graham@york.gov.uk.

CANCELLING BOOKINGS:

If your child cannot attend a booked session, you should cancel your booking as soon as possible so that another child can be offered the place. You can cancel your booking on the booking system, but if you're having trouble, you can contact the club you booked your child onto.

View the [parent guide](#) for help with making a booking, [cancelling a booking](#), or managing your account.

ADDITIONAL NEEDS:

If your child requires additional support, share as much detail as possible on your booking to ensure the provider is fully equipped to support your child. You can also use the provider's contact details to discuss in further detail before booking.

An overview of the activities available this summer can be found below. All sessions are free of charge and all sessions include a School Food Standards meal, regardless if it's a half day or full day session. If you have questions, you can contact the provider or the programme coordinator.

If you are unable to use the booking system, please contact the programme coordinator, Shelby Graham at shelby.graham@york.gov.uk or 07759719631. You can also contact the club directly to book your place!

Please join us this summer for two special family sessions: one at the beginning of the holiday period, and one at the end. These sessions are NOT counted from your credits.

Community Sessions

Four sessions will be held in community based venues. Details TBD and will be listed on the booking system.

York RLFC Foundation Inflatable Sessions

24 inflatable sessions will be offered this summer - more information will be available soon. These sessions are suitable for ages 4 to 13. These sessions comprise of multi-sports activities and non-contact rugby in an inflatable pitch. Participants will be given the same meal that York's own rugby team eat before a big match.

Sessions will be found in most wards and run from either 10 AM - 12 PM or from 2 PM - 4 PM.
